

Data input solutions for everybody....

Accuratus are now into our 28th year in the industry of manufacturing and distributing PC input devices. This covers industrial, EPOS and retail keyboards along with an extensive range of mice, magnetic swipe, flash memory products and our new exciting range of digital signage solutions. 'Accuratus' is the brand name of Ceratech, who are the exclusive UK partners of InduKey, the leading manufacturer of industrial and medical input devices.
